

## Week Seven

### Conversations with People

# RUNNING PARTNER GUIDE

## INITIATE MEETING

- ▶ Designate someone to pray. Before praying...
  - read the Running Partner Values (page 13) aloud.
  - sit silently for thirty seconds to individually pray and to slow yourselves down.

## DISCUSSION QUESTIONS

- ▶ Reading
  - What most got your attention from the reading?
  - Is your personal propensity more toward physical or spiritual service?
  
- ▶ Morph Me
  - Read aloud the real-life scenarios you wrote on pages 181-183. What physical and spiritual needs did you recognize? (Note: Some of your scenarios could have sensitive information about others. Take liberty in verbal editing, or choose to not read a scenario, to protect against unhelpful conversations.)
  - On page 186 you charted needs in the scenarios that could be met through your network. What needs could you meet on your own? What needs could be met through your network? Help each other identify other resources and ideas that may be helpful.
  
- ▶ Conversations with God
  - What do you hear God saying to you through this *Morph* experience?

## PRAYER

- ▶ Spend time praying for the real-life scenarios you just read.
