

## Week Eight

### Conversations with People

# SMALL GROUP GUIDE

## DISCUSSION QUESTIONS

### ▶ Opening Question

- On a scale of 1 to 10, how motivated are you to engage the body of Christ? Why?

### ▶ Reading

- Take a moment to flip through the Week Eight reading. What most captured your attention? Why?
- Read aloud the section titled “Houses” (pages 197-200). Does this bring you challenge for changes you need to make or encouragement for how you’ve been living?

### ▶ Morph Me

- What is your plan (pages 207-208)?
- What is your commitment (page 209)?

### ▶ Conversations with God

- There are twenty-five memory verses for this module. Read together the Additional Verses that come after Week Eight (there have been two each week, so there are nine additional). What do you hear in these verses?

## PRAYER

- ▶ Break into groups of two or three. Pray for each other’s plan and commitment.
